Career Transitions Group: Purposes

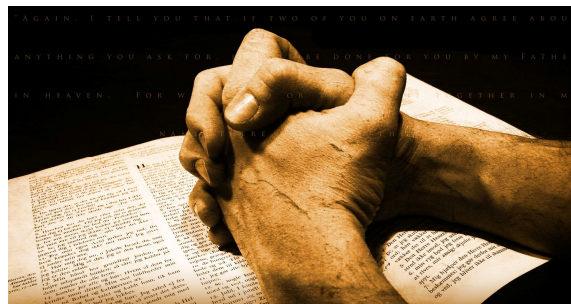

- ▶ Spiritual support
- ▶ Camaraderie, mentoring and accountability
- ▶ Networking and connection to other transition resources in the area

How You Can Help:

- ▶ Tell people in transition about the group. People in the community are also welcome.
- ▶ Pray for those seeking jobs or contract work. Look for a list of people to uphold in prayer in the “Weekly Reminders and Notes” (church email).

- ▶ Use your network to help. A person you know may be able to provide information or contacts that will advance someone’s job search. Passing along information about a company or job opening is great, but expanding a person’s network is also very helpful. To assist you in this process, professional information about those in transition will be included periodically with “Weekly Reminders and Notes”.
- ▶ Offer your knowledge and experience. The Career Transitions Group is looking for individuals in the congregation to join their meetings to offer perspective, feedback and ideas. They are willing to adjust their meeting time to accommodate your schedule.

Participants:

- ▶ In transition and seeking a job
- ▶ Considering a career or job change
- ▶ People not involved at EFCL are very welcome

Meetings:

- ▶ Every other Tuesday at 9:00 a.m. in the EFCL Prayer Room
- ▶ Meetings are listed in the bulletin and on our online calendar
